Dear Mr. Quereshi,

On Wednesday, September 21, 2016, the ANSI Certificate Accreditation Program Accreditation Committee (CAPAC) met and took action on the Initial Accreditation for Emirates Technical & Safety Development Centre. CAPAC approved the Initial Assessment Report as delineated in ANSICA without any non-conformity.

I am very pleased to inform you that the CAPAC voted to approve the assessors' recommendations and award Initial Accreditation to Emirates Technical & Safety Development Centre under ANSI/ASTM E2659-09 for the following scope:

- **Hydrogen Sulfide / H2S Training**

On behalf of ANSI, I would like to congratulate your organization on this significant achievement. We are delighted to have Emirates Technical & Safety Development Centre as an ANSI Accredited Certificate Issuer and we look forward to a continued partnership.

If you have any questions on how to refer to your accreditation status or regarding your program, please do not hesitate to contact me directly.

Sincerely,
